Mr. Janney *J*

Mr. McMahon called. A request has been received from the Senate Staff for a briefing out here. It will probably be done on Monday or sometime thereafter. The questions for the briefing should answer:

1. What criteria do we use in Fitness Reports?
2. What are our career incentives, especially in the DDO?

Mr. McMahon said the DDO will have an answer to question 2, but he would like OP to address it overall.

STATINTL

I have called

who will prepare answers.

Helen
